

August 2018

Dear Parents,

I hope you and your families had a wonderful summer! The following is information about our **Optional Lunch Program**. The lunch menu can be found on the school website under the “student” tab. Generally, menus will be posted midway through the prior month. A link will also be posted in the principal’s newsletter.

Each day the children are offered the choice a main lunch, hot dog or PB & J Uncrustable. Prices vary and will be listed on the top of the menu. Each lunch comes with a side which varies day to day and a bottled water. Some choices of sides are fruits, veggies, pasta salad and tossed salad.

If you wish to order, simply print out the menu, circle your choices and send the menu back to school along with payment by cash or check. **Please be sure to make all checks payable to Kristine Egan**. There is no minimum or maximum amount of days that you can order. Some children order every day, others order just once a month....either way is fine. Lunch is strictly **PRE-ORDER**. Because of this, please note the due date at the top of each month’s menu as **late orders cannot be accepted after the due date**.

There is also a snack table that offers cereal, cookies, crackers, fruit snacks and roll ups, and assorted chips. Children can also buy drinks at this table such as Sunny D, a variety of juices and water.

Most trips and days off will be noted on the lunch menu but there will undoubtedly be unexpected trips and snow days. When this occurs, information about lunch credits for will be put on the following month’s menu.

Since lunch is on a **pre-order basis**, we cannot credit for days absent. You may come in and pick up your absent child’s lunch any time between 12:00 and 12:45 pm or you can contact me before 10:00 am to pass that lunch onto a friend or sibling if you choose.

If you have any questions, please contact me directly at [Lunch@olgc.org](mailto:Lunch@olgc.org) or 215-499-3561.

Sincerely,  
Kristine Egan  
Lunch Coordinator
