OLGC PAC Guidelines

PAC is open to all registered OLGC students in 1st through 8th Grades who are interested in developing their talents on stage in acting, dancing, public speaking and singing. OLGC PAC is for children who are team players that are well behaved and listen in group settings. Children must be interested in singing, acting, and dancing on stage. Do to the number of children in PAC, if conduct becomes an issue; we will unfortunately have to request that the child be withdrawn until they are more mature. We have hired professional musical directors to teach and work with your children and they can not accomplish PAC goals when there are discipline issues. Please contact olgcpac@gmail.com with any questions.
